

Dr. Mobley is a rarity—a female veterinarian who went from the inner city to the CEO's inner circle. She is also a speaker and coach who is frequently sought after to discuss her incredible journey from the Bronx to the Boardroom, information about pets as well as her very own principles for career and life success. Many people at Fortune 500 corporations, non-profits and other organizations have benefited from Dr. Mobley's fundamentals which she applied throughout her life and during her illustrious career.

As one of the 14% of female executives at Fortune 500 corporations, she received awards for her career success and rapid rise up the corporate ladder. Dr. Mobley shared her expertise as a former Executive and Certified Coach when she was featured on a weekly NYC radio show. During her time on the air she helped people find solutions to the wide-ranging issues that impacted their careers and personal lives.

Dr. Mobley uses her uniquely blended company, Daphne Mobley, LLC as a platform to provide information about pets as well as services that support people in their quests to achieve their true passions, jump over the hurdles that are in their paths and become empowered to reach their goals. As the CEO of Daphne Mobley, LLC, Dr. Mobley is committed to further enhancing people's and animals' wellness.
